

UNIVERSITY OF TEXAS SPORT CLUB ASSOCIATION
TRANSPORTATION AND USE OF WEAPONS AGREEMENT
Valid from 9/1/09 – 8/31/10

University of Texas Sport Club Association members utilizing weapons in their club's activities **must be aware of University rules pertaining to the presence of firearms and other weapons on campus and each member must realize their obligation with regard to these guidelines and the consequences of any violations to these guidelines.**

Current University policy prohibits weapons, genuine or facsimile, on campus property (including parking lots). This policy applies to anyone involved in a Recreational Sports sponsored event (students, faculty, staff, and visitors). Weapons prohibited include, but are not limited to, firearms (i.e., handguns, rifles, shotguns, facsimile firearms--including laser tag toys); illegal knives (i.e., foil, epee, and sabre swords); clubs (i.e., wooden swords, staffs, bows, and nunchakus); and armor-piercing ammunition. Only with permission from the Dean of Students Office can an exception be made to allow use and transportation of weapons on campus. (See *General Information Bulletin*, Appendix C, Chapter 11 for complete information on the University's discipline policies.)

All weapons may be used only during a sponsored club event at the designated Division of Recreational Sports activity area. Weapons must be transported in an appropriate carrying case at all times on University property.

Under the condition that all club members agree to abide by these regulations, permission to use weapons needed to participate in specific sport club activities has been requested from the Dean of Students. **Aikido, Archery, Fencing, Kendo, and Wushu are the sport clubs needing to complete this form.**
