

**THE UNIVERSITY OF TEXAS AT AUSTIN**  
**Recreational Sports**  
**STUDENT LOCKER RENTAL AGREEMENT**  
**2018-19 & 2019-20**

Spring locker rentals expire May 28, 2019.  
Summer locker rentals expire August 20, 2019.  
Fall locker rentals expire December 31, 2019.

**You must be enrolled for classes at UT-Austin for the specific semester of rental: spring 2019, summer 2019 and/or fall 2019 to have access to your locker.** If you renew your locker, you **do not** have to clean out your locker between rental periods: fall/spring, spring/summer or summer/fall. It is your locker until the next expiration date.

It is your responsibility to remain aware of all details outlined in this agreement before you renew your locker. Your initiation of rental or renewal indicates that you have read, understand, and will comply with the agreement.

**Communication:** Email is the official method for communication regarding renewals, closures and maintenance. The email on file in UT Direct is your official email and will be used for all communication.

**Maintenance:** Report any maintenance issues to [locker email](mailto:utrs.lockers@austin.utexas.edu). (utrs.lockers@austin.utexas.edu)

**Fees:** Locker rentals are non-refundable unless the student withdraws from classes. If approved a \$10 admin fee will be subtracted from the refund. Partial months will not be refunded.

**Locker Content Handling fee:** Locker contents will be held for 30 days after lockers expire and \$20 must be paid to claim any contents left in expired lockers. Lost or stolen lock replacement cost is \$15.

**Security:** Storage of handguns is not allowed in Recreational Sports lockers.

**Never set or leave your lock on the bench. Leave the lock on the handle of the locker at all times.**

When closing the lock, rotate the dial 3 times and check by pulling down on the lock. RecSports recommends not leaving items of value in locker units. RecSports is not responsible for items lost or stolen.

If you use a different lock than the one issued by RecSports, you must ensure the original lock issued by RecSports is placed on your locker at the end of your locker rental period or you will be charged the \$15 lock replacement fee. A bar may be placed on your record at the university if you are contacted to pay the fee and the fee is not paid by the deadline.

Students may share lockers at no additional cost with other students/RecSports members that have access to the same locker room. However, RecSports will only issue and recognize one individual student as the locker holder having authorized access to locker numbers, combinations and removed contents. If you want to share a locker, you do so at your own risk.

**Locker Combinations:** Locker combinations are available online at [www.utrecsports.org/combo](http://www.utrecsports.org/combo) and require EID and password for access.
